I am an enthusiastic, self-motivated, reliable, and hardworking individual. I take responsibility seriously and approach every task with dedication and focus. I am a mature team player, adaptable to challenging situations, and capable of working effectively both in a team environment and independently. I perform well under pressure and am committed to meeting deadlines with efficiency and precision.

EXPERIENCE

Internship

Hyderabad

Styrax Instruments India Pvt Ltd

Jan, 2022 - May, 2022

During my internship at Styrax, I had the opportunity to immerse myself in hardware work, specializing in pharmaceutical instruments such as Clean Room Process Scanners (CPS) and Differential Pressure Indicators (DPIs). I successfully met client expectations by delivering high-quality performance and meeting their specific needs. This experience not only enhanced my technical skills but also provided valuable insight into the pharmaceutical industry's stringent requirements.

Integrated Operations Manager.

Hyderabad

Sarasi Led Solution

Jul, 2022 - Dec, 2022

During my tenure at Sarasi LED Solutions, I had the enriching experience of managing both procurement and sales operations. Interacting with clients provided valuable insights into their needs and preferences, enhancing my understanding of customer dynamics. Being part of a startup environment allowed me to contribute to various facets of the business, from manufacturing to customer engagement. My role fostered adaptability and problem-solving skills, essential in navigating the dynamic LED lighting industry.

Frontend Developer

Kathmandu

Tech 101

Apr, 2023 - Present

As a dedicated frontend developer, I've honed my skills in a diverse array of technologies including HTML, CSS, JavaScript, Bootstrap, Tailwind CSS, and Alpine.js. Through hands-on experience and continuous learning, I've cultivated a deep understanding of crafting engaging and responsive user interfaces. In addition to my frontend work, I have experience working with Laravel, using it to build well-structured and efficient web applications that seamlessly integrate frontend and backend functionality. My tenure as a frontend developer has not only solidified my technical expertise but also instilled in me a passion for innovation and user-centric design. I remain committed to pushing the boundaries of web development and delivering exceptional results that exceed client expectations.

EDUCATION

Secondary Level

Tenali

Sri vivekananda central school, Tenali, Andhra pradesh, India

Jun, 2015 - May, 2018
